BIAB Designs 100% Hands Free Hand Washing Stations

Niagara Falls, NY – March 14, 2020 – Booze in a Bag™ (BIAB the “Company”), We had to “Pivot” and retool the BBQ line to assist with the Pandemic. We have the team and the know-how, and we wanted something that was 100% hands free says CEO Paul Neelin. We called the station the “Freedom Sink” We engaged Greg Moro from Moro Plumbing to assist us with the design and a supplier for the hands-free equipment.

ABOUT THE FREEDOM SINK: We made the changeover rather fast from grills to sinks says Paul Neelin Founder CEO. We called in some talented people in the plumbing industry to assist with the design and we wanted the Freedom Sink to be 100% hands free. The water tap, paper towel dispenser, and soap dispenser are all “Hands Free” Fully mobile with optional “Wireless Digital Screens” The freedom sink is self-sufficient, has hot running water, a gray water tank that is simply replaced, no plumbing required.
